- The Florida Instructional Materials Adoption process.
- Additional instructional resources available.

Place the paper in the aluminum foil and crumple it.

requirements for high school graduation.

- No changes to general education financial literacy standards or courses are needed to meet this requirement as it is already included within the benchmark.

these requirements.

- The workgroup provided the Florida Department of Education (FDOE) with recommendations and the proposed benchmarks were adopted in May 2024.

requires all middle and high school students enrolled in a Civics or United States Government class to receive at least 45 minutes of instruction on “9/11 Heroes’ Day” topics.

- A Civics workgroup was convened to create standards specific to “9/11 Heroes’ Day.”

educational stakeholders, suggested revisions to existing civics and government standards to improve accuracy as well as clarity for Florida teachers and students.

- These Asian American and Pacific Islander History, 9/11 Heroes' Day and revised civics and government standards were adopted by the Florida State Board of Education in May 2024.

- It further directs FDOE to prepare and offer standards aligned to the requirements of the bill.

- Comparative discussion of political ideologies, such as communism and totalitarianism, which conflict with the principles of freedom and democracy essential to the founding principles of the United States.

have preceded and anticipated communist revolutions.

- The communist policies of Cuba and the spread of communist ideologies throughout Latin America, including the roots of the Communist Party of Cuba and guerilla forces throughout Latin America.

A standalone strand of 6-12 standards for the history of communism was developed by the workgroup.

- A rule workshop was held on September 25, 2025.
- These standards will go before the Florida State Board of Education for adoption next week.

- SS.7.HC.1 Assess the effects of communist governments.

○ Grade 8 – United States History

- SS.8.HC.1 Examine early attempts at communal living in American society.

- The origins of communism, the tactics and tools of communist regimes, the development of communism in Europe, Asia and the Americas, both domestic and international, and responses to communism and as communism as it exists today.

communist movements and states.

- Standard 3
 - SS.912.HC.3 Analyze how communist movements and nations, past and present, use propaganda to gain and maintain power.

- Standard 6
 - SS.912.HC.6 Evaluate the rise and development of communism in Latin America, including the rise of communist states in South America.
- Standard 7
 - SS.912.HC.7 Analyze communism in the United States and the role of the Communist International.

- Standard 10
 - SS.912.HC.10 Analyze the consequences of communism and communist movements on individuals and society.
- Standard 11
 - SS.912.HC.11 Analyze how Communism and Totalitarianism are antithetical to the American ideals of liberty, justice and equality.

Additional changes to courses will be outlined in the coming slides.

- These standards are being incorporated into each grade, Kindergarten through 12.

strand of the History of Communism standards were also created to allow students to learn the full scope of horrors that communism has unleashed on the world.

before the Florida State Board of Education for adoption on November 13, 2025.

- Schools are encouraged to participate in these celebrations and foster patriotism in our students.
